PLATFORM & RESOLUTIONS.

The Republicans of the State of Nevada in convention assembled again express their loyalty to the principles of the Republican party which have made the country so great and prosperous during the last quarter of a century.

Resolved: That the question of a sufficient supply of a circulating medium to maintain a permanent range of the price of labor and property is the most important political question awaiting solution by the American people.

Resolved: That a diminishing quantity of money reduces the price of labor and property, increases the obligation of contract, enriches the creditor, impoverishes the debtor, and paralyzes industry and enterprise.

Resolved: That the present financial system of the United States, which increases or diminishes the circulating medium at the pleasure of the manipulators of the national banks without regard to the welfare of the people, and places a veto upon the power of the Government to issue money, and which has fraudulently demoralized silver and sold the revenues of the Government for private speculation, should be reformed.

Resolved: That a financial policy whereby both gold and silver shall form the basis of circulation, whether the money used by the people be coin, or in certificates redeemable in coin, or both, as convenience may require, is imperatively demanded.

Resolved: That the attempt to substitute National bank notes, costing the Government millions of dollars annually, for free silver, costing nothing, is an outrage upon the people; that the moneying or trust, which has usurped the sovereign power of the Government to issue money, and which has fraudulently demoralized silver and sold the revenues of the Government for private speculation, should be reformed.

mail services, with refusing to sign the necessary bill for the improvement of rivers and harbors, with using the power of his administration to prevent appropriations for a navy and coast defenses, with attempting to destroy the protective tariff, with courting the good will of other nations at the expense of the citizens of the United States, and with joining the foreign bondholders to demonstrate silver and destroy the industries of our country, and for the reduction of wages of the Mint employees at Carson, for closing the Carson Mint, when it was not only self-sustaining but a source of revenue to the Government, for its contemptuous veto of pension bills for the relief of disabled soldiers and sailors, and for failing to construct the Government building at Carson as required.

IV. We are in favor of the absolute exclusion of Chinese, and the restriction of immigration, by which the present overcharged condition of the labor market is made worse, and also favor legislation by which a revision of our naturalization and land laws may be accomplished.

V. We demand, in behalf of our various industries, the retention of the duties on lead, borax, soda, hides and leather, and to restore the tariff of 1867 on wool.

VI. Resolved: That we recognize the right of labor to organize for its lawful protection.

VII. We favor liberal appropriations by Congress for hydrographical and topographical surveys in this State to the end that the waste waters may be preserved for the purpose of irrigation.

VIII. We endorse the wise and conservative administration of Governor C. O. Stevenson, and we heartily commend the able efforts of Senators Stewart and Jones and Representative Woodburn in behalf of the interests of the people of this State.

IX. We favor the granting to Nevada of all Government land within the State for the purpose of providing means for irrigation and other improvements.

X. We favor the reduction of the Treasury surplus by the payment of pensions to Union soldiers, their widows and orphans, the improvement of rivers and harbors, the building of defenses for our sea-coasts, the erection of public buildings, the creation of a navy, the purchase of bonds and the repeal of the Internal Revenue laws taxing tobacco.

XI. It is the duty of the State to maintain free non-sectarian schools in the rural and sparsely settled districts as well as in towns and thickly settled sections, and that such a division of the school money should be made as will furnish the means of education to all children in the State.

XII. We are in favor of re-opening the Carson Mint for coinage and raising the wages of its employees to the standard paid by the last Republican Administration.

XIII. We demand the restoration of the mail service in this State to the efficiency maintained by the last Republican Administration, and favor the payment of fair wages to all postal employees.

A Common Cold

Is often the beginning of serious affections of the Throat, Bronchial Tubes, and Lungs. Therefore, the importance of early and effective treatment cannot be overestimated. Ayer's Cherry Pectoral may always be relied upon for the speedy cure of a Cold or Cough.

Last January I was attacked with a severe Cold, which, by neglect and frequent exposures, became worse, finally settling on my lungs. A terrible cough soon followed, accompanied by pains in the chest, from which I suffered incessantly. After trying various remedies, without obtaining relief, I commenced taking Ayer's Cherry Pectoral, and was

Speedily Cured. I am satisfied that this remedy saved my life. — Jno. Webster, Pawtucket, R. I.

I contracted a severe Cold, which suddenly developed into pneumonia, presenting dangerous and obstinate symptoms. My physician ordered the use of Ayer's Cherry Pectoral. His instructions were followed, and the result was a rapid and permanent cure. — H. E. Silsbee, Rogers, Ark.

Two years ago I suffered from a severe Cold, which settled on my lungs. I consulted various physicians, and took the medicines they prescribed, but received only temporary relief. A friend induced me to try Ayer's Cherry Pectoral. After taking two bottles of this medicine I was cured. Since then I have given the Pectoral to my children, and consider it

The Best Remedy for Colds, Coughs, and all Throat and Lung diseases, ever used in my family. — Robert Vanderpool, Mendocino, Cal.

Some time ago I took a slight Cold, which, being neglected, grew worse, and settled on my lungs. I had a hacking cough, and was very weak. Those who knew me best considered my life to be in great danger. I continued to suffer until I commenced using Ayer's Cherry Pectoral. Less than one bottle of this valuable medicine cured me, and I feel that I owe the preservation of my life to its curative power. — Mrs. Ann Lockwood, Akron, New York.

Ayer's Cherry Pectoral is considered, here, the one great remedy for all diseases of the throat and lungs, and is more in demand than any other medicine of its class. — J. F. Roberts, Magnolia, Ark.
